

JENSON

AMICO

REFILLABLE

POD

This kit includes:

3 x Amico Refillable Pods
1 x Instruction Manual

Specification:

Resistance: 1.5Ω
Tank volume: 1.5ml

Operating instructions:

When using a new pod, first remove the hygiene cap.

1. Holding the black mouthpiece by both sides, pull the refillable pod out of the battery.
2. Separate the black mouthpiece from the clear pod.
3. Lift and twist the silicone stopper to reveal small holes either side.
4. Place the e-liquid nozzle into one of the holes and fill to the line.
5. Twist and push the silicone stopper back into place ensuring it fits correctly.
6. Reattach mouthpiece and slide pod back into the battery.
7. Simply puff on your draw activated Amico device to start using.

One pod can be refilled up to 5 times to ensure optimum quality. After this, you should replace your refillable pod.

70PG/30VG, 50PG/50VG, higher PG or 50/50 e-liquids are recommended for use on this device. 50PG/50VG and higher PG CBD e-liquids are also compatible with this device.

WARNING

Caution and care must be taken when using this product.

Do not swallow the e-liquid

If you have an adverse reaction whilst using this product, stop using it immediately and seek medical assistance.

This product should not be used by those under the age of 18. Not recommended for use by non-smokers. Do not use if you are at risk of heart disease, whilst pregnant, breastfeeding or in bad health. Contains small parts, keep well away from children and pets.
