Diagram of Lumiere

Introduction:

The Lumiere is the latest pen-style starter kit from Jenson, delivering a premium quality vaping experience. Its battery has a 2600mAh super high capacity and 20amps continuous discharge capability. The tank will supply smooth and flavourful clouds whilst its swivel top cap design provides a super-convenient, efficient refilling process. The Lumiere has all the features required to make this your daily go-to vaping device. Jenson E-Cig, constantly innovating to bring you the best vaping experience.

The Kit Includes:

- 1 x Lumiere battery (2600mAh)
- 1 x Lumiere top-fill tank (2ml)
- 1 x Lumiere V8 0.5Ω dual core coil (pre-installed)
- 1 x Lumiere V8 0.3Ω dual core coil (TC and VW mode compatible)
- 1 x USB Cable
- 1 x Silicone grip band
- 1 x Spare O-rings
- 1 x User Manual

Specifications:

Lumiere Battery:

Size: 22mm x 85mm

Weight: 80g

Battery Capacity: 2600mAh

Voltage Range: 3.4V-4.2V

Standby Current: <200uA

Output Voltage PCB: 0.5Ω=20W,
0.3Ω=45W, 0.25Ω=50W

Lumiere Tank:

Material: Stainless Steel

& strengthened Pyrex glass

Size (incl mouthpiece):

22mmx48mm

Weight: 60g

Capacity: 2ml

Thread: 510

Lumiere Battery

Operating instructions:

1. Quickly press the power button 5 times to power the device on or off. The LED light will blink 3 times.
2. Press and hold the power button to vape. The LED light will turn white; if there is a problem with the atomizer the LED light will blink 4 times.
3. Charge the battery using the USB cable included. When charging, the charging indicator below the charging port will turn red. When it is fully charged the indicator will turn off.

Lumiere Tank

Filling with e-liquid:

1. Holding the tank with one hand, use the other to slide the top cap counterclockwise.
2. Pour the e-liquid through the top filling hole. Pay attention not to drip into the central airflow tube.
3. Close the cap carefully and firmly. Ensure you let it stand for several minutes to completely saturate the organic cotton in the coil.

Replacing atomizer coil:

Firstly, screw the drip tip and top cap off the tank; then screw the atomizer off the base, and replace with a new coil. To control airflow rotate the bottom adjustable airflow system to your desired position.

If you need any additional information or have any questions about the products or its use, please call our customer services team on 020 8619 1060 or visit our website www.jensonecig.com.

Battery Features:

1. Large battery capacity: The Lumiere has a built-in 2600mAh rechargeable battery.
2. Automatic cut-off protection: the LED light will blink 5 times when the power button is held for longer than 8 seconds, and the battery will automatically shut down the output.
3. Resistance protection: when the atomizer resistance is lower than 0.1Ω or higher than 2.5Ω , the LED light will blink 4 times and the battery will automatically shut down the output.
4. Short circuit protection: if a load short circuit is detected, the LED light will blink 4 times and the battery will automatically shut down the output.
5. Low voltage protection: when battery capacity is lower than 3.3V, the LED light will blink 15 times and the battery will automatically shut down the output.
6. Battery life indicator: When the battery is depleted the indicator will blink 4 times each time you try to take a puff.

Usage Notes:

1. Before use please read the manual carefully.
2. Always connect the device to a power source that is suitable for its intended use.
3. Please do not keep the liquid inside the atomizer if the device is not going to be used for a long period.
4. Do not allow the tank to run dry of e-liquid to avoid dry-burning of the atomizer.
5. Please do not drop, throw or mishandle this product as the outer shell or inner components may become damaged.

Warranty:

Lumiere Kit Warranty Period: 3 Months from the Purchase Date. Within the 3 Months, some items may not be eligible for service due to misuse, damage, or other failures caused other than by manufacturer defects or premature failure. Please contact Jenson E-Cig for more information and terms of service.

The "Lumiere Kit Customer Card" is an important proof for customers to get warranty service, please keep it along with your original receipt, read the card carefully and fill it out correctly. Warranty requests must be accompanied by this card and your original receipt. For more warranty policy and process, please visit our official website www.jensonecig.com or call our customer services team on 020 8619 1060.
